Subject: Summary of Tentative Agreement 2012-13

SVVEA Colleagues:

Attached you will find the recommended Tentative Agreements for 2012–2013.

A special thanks to the hard work of your SVVEA Negotiations Team: Negotiations Chair Faythe Hanna (Title I Literacy Teacher at Columbine El.), Cyrus Collier (Special Ed Teacher at Mead H.S.), Sarah Hightower (5th Grade Teacher at Burlington El.), and UniServ Director Fran Docherty. We have all been dedicated to reaching the best possible settlement for appropriate compensation and workload during this era of unprecedented budget challenges, and we appreciate the input and support of our SVVEA members.

An informational meeting is being scheduled for later this week, and ratification ballots should be in your buildings on Wednesday morning. See your AR for ratification details.

Sincerely,

Trip Merklein
